

LAB BUYER

CRITICAL & CONTROLLED ENVIRONMENTS

Thomas
Scientific

WELCOME!

Thomas Scientific is a distributor of laboratory supplies, equipment and chemicals. The products in this catalog represent only a small offering from our extensive catalog and website. We're here to make your purchasing process as simple as possible. For additional models, sizes, packaging, and accessories not shown in our catalogs or if you just need help selecting a product, contact us at 800-345-2100 or visit us on the web at www.thomassci.com.

Thomas Scientific accepts VISA, Master Card, American Express and the IMPAC card for government buyers.

POs accepted for registered accounts.

OUR MISSION

To help science create a better world by providing quality products with personal, timely and efficient service
Delivering Quality Scientific Supplies Worldwide Since 1900

Special offers and pricing are valid through September 30, 2020, unless otherwise noted.

NOTE: Offers in this catalog are void where prohibited by law or company policy. Shipping charges are not included. Prices and offers are subject to change without notice and are not to be combined with other offers/discounts or contract pricing. Valid in USA only. Dealer/reseller sales not applicable. For web orders, enter the promo code in the yellow box on the back of this catalog. For phone orders, please supply the promo code to the customer service representative when ordering. Discount pricing shown must be specified when placing order. Returned products will be subject to billing for Free Items at list price. Free items in 'Buy/Get 1 Free' offers will be the item of lowest value unless otherwise noted. Giveaways and free products may be shipped separately. Allow 4-6 weeks for delivery.

COVID-19

Notice to Customers:

Due to the current pandemic, availability and lead times for PPE / COVID related products are longer than listed on our website. Please expect delays on all PPE / COVID related products during this time. We apologize for any inconvenience.

TNT™
Chemical Splash
Resistance Technology

Microflex® 93-850 Nitrile Disposable Gloves with 2X more chemical splash protection†

Introducing the innovative hand protection solution that stands up to tough jobs while significantly reducing workers' risk of exposure to hazardous materials and rips/tears. It's made using a breakthrough polymer bonding technique* for 2X more chemical splash resistance.† And because these soft, durable gloves exceed the highest known standard for barrier quality and consistency,‡ they provide reliable protection in even the most challenging environments.
