

SOURCE GUIDE | FALL 2024

EQUIPMENT & INSTRUMENTATION SOURCE GUIDE

Featuring Products & Solutions

WELCOME

Thomas Scientific is a distributor of laboratory supplies, equipment and chemicals. The products in this catalog represent only a small offering from our extensive catalog and website. We're here to make your purchasing process as simple as possible. For additional models, sizes, packaging, and accessories not shown in our catalogs or if you just need help selecting a product, contact us at **833.544.SHIP (7447)** or visit us on the web at **ThomasSci.com**.

Thomas Scientific accepts VISA, Master Card, American Express and the IMPAC card for government buyers.

POs accepted for registered accounts.

Our Mission

To help science create a better world by providing quality products with personal, timely and efficient service.

*Delivering Quality Scientific Supplies
Worldwide Since 1900*

**Special offers and pricing are valid through
December 31, 2024 unless otherwise noted.**

NOTE: Offers in this catalog are void where prohibited by law or company policy. Shipping charges are not included. Prices and offers are subject to change without notice and are not to be combined with other offers/discounts or contract pricing. Valid in USA only. Dealer/reseller sales not applicable. For web orders, enter the promo code, if applicable, at time of checkout. For phone orders, please supply the promo code to the customer service representative when ordering. Discount pricing shown must be specified when placing order. Returned products will be subject to billing for Free Items at list price. Free items in 'Buy/Get 1 Free' offers will be the item of lowest value unless otherwise noted. Giveaways and free products may be shipped separately. Allow 4-6 weeks for delivery.

Laboratory *Leica* Microscopes

DM500 Brightfield Microscope

Thomas No. 22A00G128

The Leica DM500 microscope with “plug and play” capability is the ideal tool to make teaching entry level college and university Life Science courses easy and fun for the instructor and the student.

A60 S & F Stereo Microscope

Thomas No. 22A00G126

The intuitive A60 S and A60 F stereo microscopes fulfill what you need – high sample throughput, optimum visibility of product details and components, and easy processing of subassemblies.

Mateo TL RUO Inverted Microscope with LED Illumination, 6 Megapixel Color Camera, 15.6" Monitor & 4X, 10X Objectives

Thomas No. 23A00A902

Mateo TL makes the process of cell culture checks effortless for every team member, with intuitive setup and use.

DMi1 Inverted Microscope

Thomas No. 22A00G118

The microscope’s flexibility in accommodating an S40 condenser (40 – 50 mm working distance) or switching to an S80 condenser (80 mm working distance) is achieved by just a few hand moves. High-quality Leica objectives provide brilliant images.

EZ4 Educational Stereo Microscope

Thomas No. 22A00G123

The Leica EZ4 educational stereomicroscope with 4.4:1 zoom for entry level university and college courses such as biology, anatomy and chemistry provides over 20 years of bright LED illumination which saves time and cost of replacement bulbs.
