TECAN
Liquid Handling (LiHa) Disposable Tips

Tecan disposable tips are available in three certified purity levels:

- **Tecan Standard** is supplied in space-saving cardboard packages
- **Tecan Pure** is packaged in blister packs and each lot of tips is tested and certified DNase, RNase, human DNA and PCR inhibitor free
- **Tecan Sterile** is tested on a lot-by-lot basis and certified DNase, RNase, human DNA and endotoxin free. Tecan Sterile tips are certified to be sterile and packaged in ANSI/SLAS-format boxes
