

NEW LAB STARTUP PROGRAM

Let's Get Started!

Corning Life Sciences has the products and technical expertise to help you optimize your work, reduce variability, and increase your chances of success—right from the start.

Let us help you try before you buy. As our gift to you, this complimentary box of lab supplies includes samples of Corning products to test in your lab before purchasing. Once you're ready to buy, stock your lab with brands you know and trust – including Corning®, Falcon®, Axygen®, and PYREX®, and we'll give you free lab supplies equal to 25% of your total purchase.

To redeem free products, contact your Corning Account Manager, provide proof of purchase, and select your free supplies from any of the qualifying products listed here. Some restrictions apply.

For redemption details, see page 7.
